WE'RE BACK!

October 2017

ACE is back for the 2017-2018 school year. We are excited about the fun and interesting things we have planned for students this school year.

New Teachers

We are happy to have a group of new teachers this school year. New teachers are Mrs. Blohm, Mrs. Carroll, Mrs. Grogan, Mrs. McCreery, Ms. Hardgrove, and Mr. Tennison. We are glad to have these great teachers a part of the ACE team!

Returning Teachers

We are pleased to have several of our returning teachers this school year. Teachers who are returning are Mrs. Turner, Mrs. Starling, Mrs. Johnson, Mr. Jackson and Mr. Lewis. We are happy to have all them working with our students.

BIRTHDAY CELEBRATION

Our birthday celebration was for students who were born in the months of June, July, August, and September. We had a total of 45 students celebrating their birthdays.

June Birthdays

Zoe D., Naomi B., Lincoln H., Preston H., Akilah B., Keily R., Kylie R., David M., and Kaylee P.

July Birthdays

Each student's parents are invited to come can celebrate with their child. A special birthday party invitation will be sent home with each student.

ACE BUCKS!

This summer ACE initiated an ACE Bucks award program. The program has been a great success.

The purpose of the ACE Bucks program is to improve and motivate students to behave in a more positive manner. The program also provides opportunities for students to earn ACE Bucks that are redeemable for items in the ACE store and for other things. Students can spend their bucks each week or let their bucks accumulate.

Students can earn bucks for:

- Attendance
- Reading books and passing AR test
- Sportsmanship
- Class participation
- Completing class assignments

Students are allowed to purchase items each Thursday.

AWESOME ACE CLASSES!

PROJECT BASED LEARNING

Our students are excited about the Project Based Learning classes. These classes are being taught by Ms. Nicole Turner. Students in Grades 1st and 2nd are learning about lions. 3rd and 4th grade students are learning about cheetahs and 5th – 8th grade students are working in groups on projects that are of the interest to the students. Students are encouraged to use their imagination to think outside the box.

“Education is the key to success in life, and teachers make a lasting impact in the lives of their students.”

Solomon Ortiz

GROSSOLOGY

A favorite class for our ACE students is Grossology. Grossology is being taught by one of our new teachers, Ms. Raven Hargrove. In this class the students are learning about the gross things. The students' most favorite activity was making buggers with slime.

PINK OUT VOLLEYBALL GAME

ACE went all pink in the name of Breast Cancer Awareness. We salute all those living with breast cancer, those who have won the battle and those who have lost their fight.

We would also like to thank all the community members who came in support of our Parents vs. Students Volleyball game.
