Parent Pickup/Dropoff

Just a reminder, students cannot be dropped off before 7:10 AM. When dropping off, please do not drive off until all your children have had their temperatures taken. In the afternoons all students will need to be picked up in the car pickup lane. You can park in the parking lot and walk across the street to pick up your child. Due to safety, no children will be allowed to cross the street without a parent or adult. We ask that you do not park on the sides of the road next to the car rider lane. If you are on the side of the road, you will be asked to move. Thanks for your cooperation in this matter.
